## EXPERIENCE

---

### Bridge Investment Group

*IT Project Manager*

Salt Lake City, UT

June 2019 – Present

- Complete strategic analysis and remediation of IT infrastructure projects across multiple verticals with \$20B in AUM
- Serve as liaison for all IT and technology-services vendors or providers for 160+ properties and five corporate offices
- Revamped Agile intake processes, eliminating 25% of wasted development hours and shortening deployment timelines

### AbleVets (Department of Veterans Affairs)

*Cyber Threat Intelligence Analyst*

Chantilly, VA

Sep 2018 – June 2019

- Authored and disseminated serialized reporting and situation briefings related to the Depart. of Veterans Affairs
- Performed analytic support focused on cyber doctrine and policies, and threat actor capabilities and intent
- Provided targeted attack detection and analysis, including development of custom signatures and analytics

### Red Touch Media / Laduma

*Project Manager, Production Manager*

Salt Lake City, UT

June 2014 – Sep 2018

- Directed the execution and development of 200+ custom software solutions and 100+ virtual, augmented, and mixed reality projects by dual-continent teams of over 20 software engineers, producers, editors, and VFX artists
- Planned and executed virtual reality location shoots in Morocco, Namibia, and South Africa; France, the U.K., and Scotland; both eastern and western contiguous U.S., Hawaii, and Mexico

### United States Air Force

Oct 2006 – Aug 2013

- Achieved the rank of Staff Sergeant while serving as an Operations Intelligence Analyst for nearly seven years
- Decorated for meritorious service with the Bronze Star Medal, Joint Service Commendation and Achievement Medals, and Air Force Commendation Medal, along with numerous quarterly and yearly awards for leadership and volunteering
- Managed multiple teams of analysts at each level of the Intelligence Community, including developing robust training curriculum for junior analysts including research methods, executive-level presentation, and public speaking

*Highlights from two overseas assignments include—*

### Survey Division

*Strategic Intelligence Analyst*

SHAPE, Mons, Belgium

Aug 2011 – Aug 2013

- Authored over 1,100 intelligence reports for general officers, chief executives, and government agency analysts, evaluating current affairs, geopolitical developments, and driving NATO's military decision-making calculus

### U.S. Special Operations Command

*Senior Intelligence Analyst*

Mosul, Iraq

Dec 2009 – Nov 2010

- Presented over 330 current intelligence briefings to senior theater leadership and 200 targeting packages for special operations forces, facilitating strikes on 350+ targets throughout northern Iraq

---
